SATURDAY SEPT. 18, 7897.

The text was a very difficult one, 1st Peter 1:5. The Reverend handled the subject with grace and ease. The smallest child could understand and learn wisdom and the old heralds were greatly edified. In the afternoon and evening the pastor, Rev. H. Powell preached a very instructive and interesting sermon to the great satisfac-tion of his many hearers. In the af-ternoon one of the trustees read a letter of greeting to the church which seemed both inspiring and encouraging to all present. Trustee Carter also made a statement relative to the amount collected for the past fitteen months which showed that more than

three times as much money had been raised during the pastorate of Rev. Powell and paid on the building up to the present time.

This was certainly very encouraging to this people which had previously had so much trouble and mismanage.

The warious places where we visited, we are glad to say we found everything pleasant and the people up to date, operating business on small and large scales. While in Richmond we had the pleasure of stopping with Reverend and Mrs. R. O. Johnson, 1085 Hiekory St. Rev. Johnson is the little, stirring, scholar. ment of their financial affairs, but the lister financial affairs, but the lists are doing their uttermost to get their nefarious work in, for the pastor of the Moors stated from the desk that he had heard on the high-way that the report was out that the treasurer had run off with all the church's money and that such report was a lie from the devil, the father of lies." Not only have they lied on the treasurer who we all from the devil, they fied on the treasurer who we all know to be a faithful, true christian gentleman respected and beloved by the church and community, but the church and community, but the church and community but the church. Oh, save us from such monumental liars.

Yerily the good Book has said that ment of their financial affairs, but the

Verify the good Book has said that "all lisrs etc., shall have their place in the lake that burns with fire and brimstone." God has reserved in His storehouse of punishment a place for all liars. If there is any class of villians in any community to be drummed out, stamp d out, kicked out or trodden under foot, more than any other, anyway to rid the community of them. It is the sneakish, cringing and crowling liar who goes from house to house breaking the peace of friends, dividing families and causing irouble in churches. Wherever the viper with dividing families and causing trouble in churches. Wherever the viper with their forked tongue has under the false cover of friendship gained the attention of the unsuspected ear and the strength of th attention of the unsuspected ear and the poured in their vial of poision, there from praising him. We have many you may look for trouble abroad in the land. Let every man strive to the land. Let every man strive to run such murderous scoundrel to earth, for verily 'God will pour out His vial of wrath upon all such murderous scoundrel to earth, and his organ of the South in behalf of the country. the country is a power indeed in the Southland as well as in the north for the uplifting of any nation.
In company with Messrs John Mitch

Va., editor of the "Flat Top Laborer,"

Some people feed upon food from the infe rnal regions. They live upon lies, 'hey walk aud talk lies, go to church and to their bed lying, dream ies; arise the next morning make a fresh round over the community sow-ing their seed, wherever they can find a listening ear. They lie on God by saying He has shown them in a vision or dream certain things They lie pretending to be trying to make peace. Such vipers are the imps of the devil and slaves to their heliish, daily duties fer past-time They are too mean to live and not fit to die; but in due to the devil and slaves to their heliish, daily duties fer past-time They are too mean to live and not fit to die; but in due to the depth of our and say all honor to so "great a man as a say all honor to so "great a man a time, a just God will reward them: Such creatures are nothing more nor less than the hell-hounds of corrup-

But great is the reward laid up in God's store house of peace and right-eousness for those whose name has been cast out as evil, The good Master will say "come ye blessed of my Father inherit the rich reward in the Kingdom of undeign glory." We who have been falsely prosecuted and lied upon shall have the redeemed saints. Angels and archangels, cherubims and seraphims as associates and companion. Brooklyh. Aug. 15, 1891. This is to certify that I came to New York from Albany. I was a stranger in a strange city, out of work and out of money. I had no luck in anything I undertook. What to do! did not know. A frience advised me to go and see Dr. Shea. I did. He told me the cause of my troubles; he took me in and treated me as a brother. Through him I gots good position that very week. I had been to others; they took my money and did me no good. I bless the day! first met Dr. Shea. I would advise all in bad luck. sick or in trouble to go to him at once. Sincerely

Albert Ayers, 2867 Atlantic Ave.

Brooklyn, Aug. 16, 1891. This letter is to certify that my husband had gone away and had been absent two years, I mourned for him night and day. I gave him up, as dead. Hearing of the wonderful things Dr. Shea was doing I resolved to consult him. He told me that my husband was alive and well, and where he was, told me has would come home and when. To my joy ali of it came true. He is home now, came back like one from the dead. I also wish to say that this month I lost \$250. I am a poor woman and i was almost insane. I went to Dr. Shea and he told me i would find my money and to my intense joy I did find it as he told me. I thank God there is a man so gifted in our midst that can help people and tell them what so do.

Sincerely, Mrs. Barrett.
